

Dear Doctor,

Greetings from Sree Narayana Institute of Medical Sciences

SNIMS Hospital is a 350 bedded Medical College hospital in the coastal belt of Ernakulam District. SNIMS provides comprehensive medical services and is aiming to establish itself as a centre of excellence. The hospital is well equipped with competent doctors in various departments. We are committed to offer the most advanced diagnosis and treatment for all specialities.

We are happy to organise a Continuing Medical Education programme at SNIMS on various aspects and newer developments in difficult situations that we come across in our daily practice.

It is our privilege to invite you to participate in our first CME to be held in SNIMS on **13 September 2009**. We have thoughtfully structured the topics as well as invited eminent speakers to make the CME an excellent academic feast.

Kindly ensure your valuable presence to make the programme a great success.

With warm regards,

Dr. M.J. John MD
Chairman, Organising Committee

Dr. K. Prasad MS, FMS,
Secretary, Organising Committee
